Tuukkaq WiFi

We have an exciting future ahead of us!

Introducing Air Greenland's Incredible WiFi Experience!

Are you tired of being disconnected from the digital world while soaring through the skies? Well, we have a solution that will keep you connected and entertained throughout your entire flight! Welcome to Air Greenland's WiFi portal, your gateway to uninterrupted online bliss.

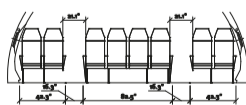

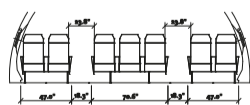

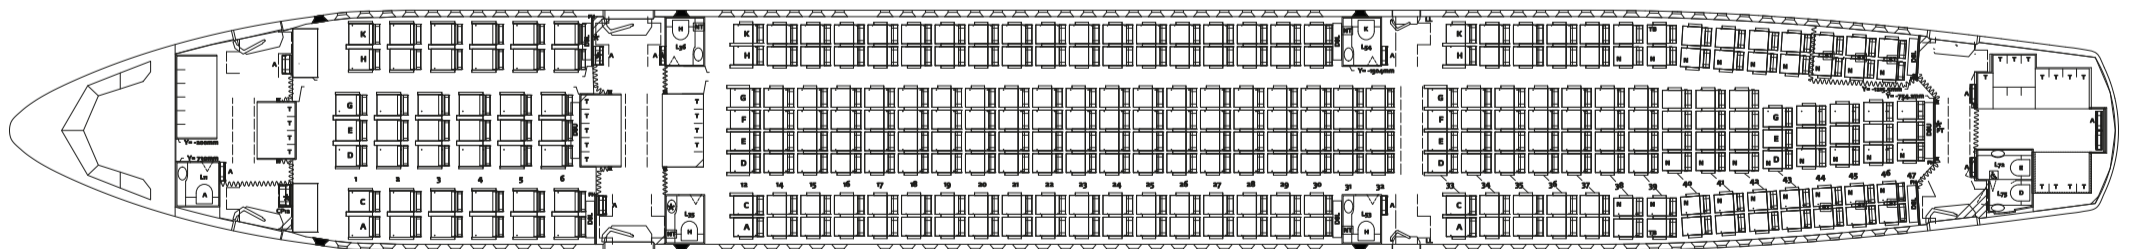

Here's how it works: Simply whip out your trusty WiFi-enabled device and get ready to embark on a seamless surfing adventure. All you need to do is scan the QR code conveniently located in our state-of-the-art entertainment system. Voila! You're now just a few clicks away from purchasing access to our high-speed WiFi network.

We understand that quality matters, which is why our goal is to provide every passenger with an exceptional browsing experience. While we may have limited bandwidth onboard, our WiFi service is tailor-made for your essential online needs. Whether you're browsing the web, chatting with friends, shopping online, or managing your emails, we've got you covered.

However, we want to be transparent and let you know that our WiFi service isn't optimized for data-heavy activities. So, while you won't be able to stream the latest blockbuster or transfer hefty files, you can still indulge in a world of digital wonders during your flight.

Don't let the skies limit your connectivity. Join us on Air Greenland and discover the joy of staying connected at 30,000 feet.
